

CHINA MAIL, JUNE 26, 1925.

**LOCAL STRIKE ITEMS:**—The Hongkong Hotel has commenced a bus service for Europeans from the Hotel to Causeway Bay and back through Happy Valley. The fare is 20 cents. A concert has been arranged as a token of appreciation to the Hotel staff for the notable public services they are rendering during the strike. This concert will take place in the grill room after dinner on Saturday night. No charge will be made for entrance but any contributions from the audience will go to the benefit of the few Chinese who have remained at work and certain others who have helped. Upon enquiry in official circles this morning the "China Mail" was informed that many Chinese had given invaluable assistance to the Government both by personal service and the example set to others to prevent a panic. The Chinese Chamber of Commerce has approved the proposal to form a Merchant Self Protection Corps, and has decided that a circular shall be sent to all the shops in the Colony requesting them to detail two men each for duty. The Government is to be asked to supply badges and whistles for these men. A Taikoo resident this morning had the unusual and significant experience of having a Chinese come to his house to seek work as a houseboy in place of the absent domestic. His application was granted and he is now hard at work in the house. Other residents report that houseboys have come back to say that they expect to return to work shortly. The majority of servants however are still on strike. The highest praise is due to Iano, Crawford, Ltd. for their enterprise in equipping Cafe Wiseman with machinery that has enabled the supply of bread to be maintained, not only in greater quantity, but as some residents aver in even finer quality than usual. The European "waitresses" are proving very popular and will be greatly missed when times return to normal. Yesterday evening and again this morning the water-front has been crowded with dejected and weebogone throngs disconsolately wondering whether they would be better off in Hongkong or in Canton and gazing doubtfully at the tied-up steamers or vacant wharves. Most people in the Colony are accepting the inconveniences and minor hardships of the strike without complaint but there are a few who do not seem to realise that a state of emergency exists. A happier young Chinese actually protested to the management of a well-known cafe that he had been given a coffee cup instead of a tea cup and demanded to have the crime rectified instantly. Both telegraph companies are still without delivery coolies. Boy Scouts are doing useful work in filling the breach. Another large batch of special constables will be sworn in this afternoon including many Chinese. News from Canton is that Canton is by no means proving a bed of roses for the strikers who rushed there with such glee. The distribution of food is said to be very uneven, some guilds receiving much smaller amounts than others. Besides this discontent is also being caused by the fact that the strike has caused a check to others and a pitting of money to others again. The strike in Hongkong appears to be having a subduing effect on the strike in Canton. In Canton, the case heard at the Canton Court yesterday morning almost entirely confirmed the strike of a week ago. Two cases were heard and the first said to Hongkong strikers expressing to some further effect than Canton.

**DRAGON BOAT FESTIVAL:**—Yesterday was expected to be a turning point in the strike either for the better or for the worse; however the Dragon Boat Festival appears to have left little influence on the trend of events. This may possibly have been due in some measure to the very showery weather of the past few days. Anyway the fact remains that the general position today, apart from minor changes, appears to be very little altered, being neither more serious generally speaking, nor greatly improved. The outlook in short is still somewhat obscure, and while some quarters confidently expect the trouble will be over "within a few days" (as one prominent resident put it) it is still too soon to hazard a prediction with any safety. Notwithstanding the shortage of money owing to the strike West Point last night was as gay as ever for the Dragon Boat Festival, all the restaurants, brilliantly illuminated, producing "chow" as if from nowhere, as one reveller solemnly observes, for the large numbers who made merry there.

**HOTEL'S RECORD:**—Yesterday the grill room of the Hongkong Hotel served 2,650 meals. Today it is expected that the figure will be exceeded by about 200. In spite of severe handicaps owing to the "boys" having gone out, the Hongkong Club is "carrying on," the Bar being manned by Europeans. Ladies are also giving valuable help in the serving of meals, refreshments, &c. Today it has been reported that one or two shipping offices have lost part of their Chinese staff. The Chinese newspaper workers are still on strike, for some curious reason best known to themselves, since the anti-foreign excuse cannot be plausibly advanced. The Chinese papers are issuing extras reporting the chief events. The Boy Scouts, who are doing all sorts of useful jobs in every part of the Colony, have to their credit also the running of the lifts in several of the larger business offices in town. The harbour this morning presented a very bleak appearance owing to the proximity of a typhoon which is expected to bring heavy rain but no very great velocity of wind. Including those without crews ships in harbour are at anchor in Kowloon Bay or at Shamshuipo. The smaller craft are safe in the typhoon refuges. The Chinese staff at Morinaga's Candy Store have also left. A Reuters message says that it is authoritatively stated that the Chinese casualties in Tuesday's shooting incident at Canton did not exceed thirty killed and seventy wounded. A commission to control foodstuffs and necessities is being established in Macao. The Manchester Chamber of Commerce will send a deputation to see the British Foreign Secretary today to submit proposals with a view to effecting more settled conditions in China. The present disturbances having serious effects on the Lancashire cotton industry.

The weather forecast for tomorrow is South East Breeze, moderating, cloudy, squally, with rain. The forecast for Monday is South Wind, moderate, with rain. The forecast for Tuesday is South Wind, moderate, with rain. The forecast for Wednesday is South Wind, moderate, with rain. The forecast for Thursday is South Wind, moderate, with rain. The forecast for Friday is South Wind, moderate, with rain. The forecast for Saturday is South Wind, moderate, with rain. The forecast for Sunday is South Wind, moderate, with rain.

SHAMEN SHOOTING:-- (Reuter's Service), Canton, June 25. - Replying to the protest of the Civil Governor of Canton with regard to the shooting of June 23, the British Consul General has emphatically repudiated the Governor's allegation that foreign officials at Canton were responsible for the affair and has requested the Governor to take very complete measures to safeguard the lives of Britons at Canton.

HOME LABOUR VIEWS (Reuter) London, June 25:-- The General Council of the Trade Union Congress and the National Executive of the Labour Party at a joint meeting in London passed a resolution declaring that disgraceful working conditions in Chinese mills are the immediate cause of the present disturbances in China. The resolution expresses the opinion that immediate steps should be taken to carry out in the Treaty Ports the recommendations of the Shanghai Child Labour Commission and to assist the Chinese Government to give general effect to their recent factory act and raise the general conditions of Chinese workers. The extra-territorial regime is provocative and dangerous and should be ended as soon as possible by an international conference or British initiative. The proposed conference on Chinese tariffs gives the opportunity for such initiative in respect of the Treaty Ports.

SHANGHAI STUDENT PLOT (Reuter) Shanghai, June 25:-- The Police yesterday obtained information of a widespread student plot to hire motor-cars and dash round the International Settlement bombing and shooting. The Police ordered garages not to hire cars except to well-known customers. The special constables were mobilised and posted at strategic points. Young Chinese were searched for arms and other precautions were taken. The ship-ping situation is becoming worse. British and Japanese ocean-going ships are avoiding Shanghai.

FRANCE PROTESTS (Reuter) Peking, June 25:-- The French Minister has handed the Chinese Foreign Minister a note protesting against the killing of a French merchant at Canton on Tuesday and reserving the right to claim reparation. Twenty thousand students, workmen and merchants paraded the streets carrying banners, some of which were inscribed "Declaro war against England!" Chinese troops and police guarded foreign premises, also the entrances to the Legation quarter, but there was no sign of any disturbances.

CHINA BONDS (Reuter) London, June 25:-- In the House of Commons replying to Sir T. Bowater, Mr. A. M. Samuel, for Foreign Secretary, said that British Coupons of the Hukuang Railway issue 1911 had recently been paid. He was not at present in a position to make any statement with regard to the position of British holders of the Bonds of the German issue of this and other similar loans beyond giving an assurance that His Majesty's representative at Peking would continue to take every opportunity to press the Chinese Government to remedy the default.

PLANE CRASH (Reuter) Lebourgot, June 25:-- A Dutch aeroplane from Rotterdam crashed near Le Cateau. The pilot and three passengers were killed.
